

# Enhanced Governance, Compliance & Collaboration

Experiencing true cost reductions as a result of achieving a straight through process

**GECKO**  
GOVERNANCE

# Concept

For organizations seeking to reduce their productivity killing activities, the GECKO platform slots right into your existing processes, can work with and communicate with other systems to build a collaborative and enhanced ecosystem.

GECKO automates multiple actions and addresses multiple scenarios in a single workflow – and even repeats the tasks/workflows based on your preferred schedule

## Why GECKO?

**Configurable to clients' needs, we work with clients to add value, time and unlock resources for their business.**

Our flexible, value-driven services and client-focused approach are what makes our partnership model. The GECKO team continue to enhance the product based on our customer requirements, which is why our clients choose us.

# Features

## Document Repository

House all of your documents in a secure environment. Be able to retrieve and export as needed in various file types.

## Version Control

Multiple users can work on the latest version of each policy, keep track of what work has been done and prevent loss of work.

## Compliance Audit Trail

Track & trace work carried out for better auditing and regulatory compliance management.

## Refine & Report

Choose only the information you need to generate a report. Run both ad hoc and scheduled reports.

## Review & Approvals

**Automate** your policy workflow, receive notifications and schedule reminders to those who need to review and approve policies.

## Role-Based User Access

Access given of designated work and files to individuals with both viewing and editing options.

## Actionable Compliance

Receive report notifications, directly to your inbox and set proactive reminders and notifications to keep you ahead of compliance.

# Key Benefits

## Reduce Workloads

Reducing the heavy admin burden and eliminate manual, time consuming tasks via custom, automated workflows for all tasks, policy and content creation, distribution, renewal and archiving.

## Team Collaboration & Connectivity

Easily capture and share information to reduce the need for follow-up emails and chasing of information.

## Quick, Easy Set-up & Ongoing Support

Saving valuable time, we are renowned for our collaborative, quick implementation for clients new and existing environments.

## Simplify Compliance

Reduction in non-compliance issues.

# About GECKO

More than just a regulatory solution, GECKO is the data-driven **Governance Engine for Compliance, Knowledge and Operations.**

Founded in 2015, GECKO was born out of the frustration of life on a spreadsheet. Having walked in your shoes, the core team have over 100+ years' combined experience, deeply understanding our clients pain-points and their day-to-day activities.

With time being a valuable commodity for an organization's management team, GECKO have established a suite of ready-to-go workflows that can be integrated with existing systems and applied around client's daily activities minimising set-up time.

Based in 3 global locations, GECKO has offices in New York, Ireland (HQ) and Australia and can be tailored to client's in multiple jurisdictions, providing clearer oversight and transparency of their global governance network and processes.

**Ireland**

**New York, USA**

**Sydney, Australia**
